

## Comments and Questions Survey

### Land Use & Growth Areas

The Land Use element typically designates locations for land uses such as housing (including recommended density), business and retail, industry, recreation, public facilities, and open space. **With this in mind, please identify the type(s) of land uses you would like to have in the planning area over the next 10-15 years. Do you have any recommendations about where these land uses should be located? Also, do you have any other comments or recommendations regarding land uses in the area?**

### Transportation

The Transportation element typically examines the movement of goods and people through highways; roads; mass transit; and bicycle, pedestrian, equestrian, and other non-vehicle means. **With this in mind, what general concerns and/or issues do you have regarding transportation in the Desert Foothills planning area?**

### Environment/Environmental Effects

The Environmental element typically analyzes air quality, water quality, wildlife and plant species, and historic and cultural resources. **With this in mind, what environmental issues are you most concerned about in the planning area and why?**

### **Economic Development**

The Economic Development element typically considers how to enhance quality employment opportunities in appropriate areas. **With this in mind, do you want any employment or economic development opportunities (large or small) in the Desert Foothills planning area, and if so, what kinds?**

### **Open Space**

The Open Space element typically evaluates access to open space, connections between open space areas, planning for trails, and improving open space and recreation quality. **With this in mind, what open space issues should be considered in this plan update?**

### **Water Resources**

The Water Resources element typically considers availability of water supplies needed to serve future growth. **What concerns or recommendations do you have regarding water issues in the Desert Foothills planning area?**

### **Additional Comments:**

**Do you have any other issues, concerns, or recommendations you would like to share?**
